## Schedule A

# Golden Goal Tournament Rules and Regulations

---

## 1. PLAYING RULES

### 1.1 The Ball

1.1.1 The ball shall be spherical; the outer casing shall be of leather or other suitable materials. No material shall be used which might prove dangerous to players.

Ball size: **Size 5**.

---

### 1.2 Number of Players/Substitutions

1.2.1 A match is played by two teams of up to **six players**, including the goalkeeper. Minimum players to start: **four**.

1.2.2 Unlimited **substitutions** including the goalkeeper shall be permitted. Substitutions are continuous during play and all players must enter and exit the field of play at the substitution zone only when the player they are subbing is within 1 meter of the touch line nearest the team's

bench. At minimum, a yellow card will be issued to a player who substitutes illegally. If an illegal substitution occurs where the team gains an advantage by breaking up a promising attack or denying an obvious goal-scoring opportunity, then a red card or penalty shootout (DOGSO) may be issued.

---

### 1.3 Player Equipment

1.3.1 Teams must provide identical jerseys with different numbers.

1.3.2 All players must wear stockings; shin guards recommended but not mandatory.

1.3.3 If colour conflict occurs, the **away team** must change.

---

### 1.4 Duration of the Match — Golden Goal Time

1.4.1 Each game consists of **20 minutes** regulation time.

1.4.2 After 20 minutes, match enters **Golden Goal Time**, with a target of one goal more than leading/tied score.

- Begins at **5v5**
- Every **2 minutes**, one player is removed from each team until **2v2**, or a winning goal is scored

1.4.3 In Golden Goal Time:

- Once ball enters opponent's half, it cannot be played back unless deflected
- Restart for violation: free kick at halfway mark

1.4.4 Golden Goal Time will restart with a kickoff at half after each 2-minute interval. A coin toss before 5v5 begins will determine which team starts each interval. For example, Team A will kick-off at 5v5 and 3v3. Team B will kick-off at 4v4 and 2v2. The winner of the coin toss will have the option. The 2-minute interval will only expire when the ball goes out of play. Fouls and injuries do not count as a stoppage for the 2-minute expiration.

---

### 1.5 Start and Restart of Play

1.5.1 Kick-off is used:

- At start of match
- After goals
- At start of Golden Goal intervals

A goal **may not** be scored directly.

1.5.2 Dropped ball used for stoppages not otherwise specified.

---

## **1.6 Ball In and Out of Play**

1.6.1 Ball is out when:

- Crosses goal/touch line
- Referee stops play
- Touches ceiling netting

1.6.2 Ball is in play otherwise.

---

## **1.7 Method of Scoring**

Goal counts when whole ball crosses goal line legally. No player/goalkeeper can score using their hands.

---

## **1.8 Offside**

No offside in indoor soccer.

---

## **1.9 Kick-In**

When the whole of the ball passes over the touch-line, either on the ground or in the air, a free kick shall be awarded to the team opposing that of the player who last touched or played the ball. The free kick shall be taken from the point that the ball crossed the line and went out of play. Players of the team opposing that of the player taking the kick-in shall not approach within 5 m (5.5 yds) of the ball until it is in play, i.e., it has been kicked and moves, nor shall the kicker play the ball a second time until it has been touched or played by another player. A goal may not be scored directly from a kick-in.

---

## **1.10 Goal Kick**

A goal kick is a method of restarting play. A goal kick is awarded when the whole of the ball passes over the goal line, either on the ground or in the air, having last touched a player of the attacking team, and a goal is not scored in accordance with Law 10. A goal may not be scored

directly from a goal kick.

---

### **1.11 Corner Kick**

A corner kick is a method of restarting play. A corner kick is awarded when the whole of the ball passes over the goal line, either on the ground or in the air, having last touched a player of the defending team, and a goal is not scored in accordance with Law 10. A goal may not be scored directly from a corner kick. All opponents must be at least 5 m (5.5 yds) from the ball until it is in play.

---

### **1.12 Free Kicks**

All free kicks are **indirect**. All opponents must be at least 5 m (5.5 yds) from the ball until it is in play, unless they are on their own goal line between the goalposts. The ball is in play when it is kicked and moves.

---

### **1.13 Slide Tackling**

All slide tackling is not permitted. Players may slide to keep the ball in play or block a shot as long as no player is within playing distance.

---

### **1.14 Penalty Kick**

A penalty kick is awarded against a team that commits one of the ten offences for which a direct free kick is awarded, inside its own penalty area and while the ball is in play. All slide tackles inside the penalty area, will result in a penalty shot.

A goal may be scored directly from a penalty kick. The Ball must be placed on the penalty mark. The goalkeeper must remain on their goal line, facing the kicker, between the goalposts until the ball has been kicked. The player taking the kick must be properly identified. The players other than the kicker must be located inside the field of play, outside the penalty area and at least 5m from the penalty mark.

---

## 1.15 DOGSO

**NEW RULE:** No red card will be issued for DOGSO outside the penalty area (unless the tackle is with intent to injure)

Instead, play will restart with an **uncontested shootout**:

- The attacking player starts at the center of the halfway line.
  - The player dribbles toward goal and has **one shot only**.
  - No rebounds are permitted.
  - The attempt must be completed within **10 seconds**, or it is considered over.
-

### 1.16.5 VAR Scenario Examples:

#### Scenario 1 – Goal Stands (No Clear Evidence)

- A team scores and VAR checks the buildup. There is a possible handball by the attacker, but the angle is unclear.
- Because the footage does not clearly show a handball, the goal stands.

#### Scenario 2 – Penalty Overturned (Clear Evidence)

- The referee awards a penalty for a trip.
- VAR shows the defender cleanly touches the ball with no contact.
- The referee sees clear, obvious evidence, and the penalty is overturned.

#### Scenario 3 – Goal Cancelled (Foul in Attacking Phase of Play)

- A team scores, and VAR checks the play leading to the goal.
- The video shows the attacker clearly pushing a defender seconds before the shot.
- The referee sees clear evidence of a foul in the attacking phase of play, and the goal is cancelled.

#### Scenario 4 – Red Card Confirmed

- A player is sent off for a dangerous high kick to the opponent's head.
- VAR confirms direct, dangerous contact.
- The referee reviews and agrees, and the red card stands.
